

# Your Stars with WENDY WARD

Week-beginning 11th December 2009

## Sagittarius November 23 December 22

Its delight seen on a daily basis. For instance, you might have a whale of a time with some of your workmates and you could even decide to go out on a spree some time soon. Love this week sends you a gift in the mail

## Capricorn December 23 January 20

Someone has an unfortunate habit of putting their foot in their mouth this week. You may end up marvelling at their astonishing ability to say the wrong thing at the wrong time, even while you're winning at all the bricks they're dropping. Take care that you aren't bitten by the same tactless bug, because that could lead to some embarrassing moments for you.  
Lucky Colour Red Lucky No 1.32.36.45.41.40.

## Aquarius January 21 February 19

The atmosphere gets rather heated between you and a certain person this week. You might fall out when you fail to see eye to eye over a philosophical or moral argument, or there could be a clash over working practices. Try not to let the situation escalate until it seems much more dramatic.  
Lucky Colour Yellow Lucky No 12.7.9.16.15.41.

## Pisces February 20 March 20

This is a fantastic week for bringing a difficult situation to an end, especially if it's been giving you sleepless nights recently. Mind you, you could meet some resistance to what you're trying to do, and you may have to stand up to someone who's doing their best to intimidate or bully you. Love this week takes you on a holiday.  
Lucky Colour Purple Lucky No 43.26.12.10.20.21.

## Aries March 21 April 22

Try to take things easy as much as possible this week. You don't have as much energy as usual and you'll prefer to drift through the week rather than do anything too strenuous. It's a super week for treating yourself to a massage or anything else that will help you to relax.  
Lucky Colour Pink Lucky No 5.13.10.30.36.39.20.

## Taurus April 21 May 21

It's easy to tune into the moods of the people around you this week, and somehow you'll intuitively know what they're feeling. This will be very useful if you've got to talk to someone and you're wondering how to do it. You could also be interested in reading about ways of boosting your health or improving your diet, such as going organic or taking a course of vitamins.  
Lucky Colour Orange Lucky No 2.6.26.36.43.8.

## Gemini May 22 June 21

You're in an eminently practical mood this week, without losing your sense of fun. In the course of a conversation with a loved one you might find that you're giving them lots of advice or allowing them to profit from your experience in some way.  
Lucky Colour Grey Lucky No 4.23.25.14.13.6.

## Cancer June 22 July 23

It's difficult to work out what's going on this week. Maybe you're receiving too much information from someone so you can't follow what they're saying or perhaps you keep being interrupted by visitors. There's a sense of controlled chaos around you right now and it will soon start to play on your nerves.  
Lucky Colour Black Lucky No 2.11.21.36.45.8.17.

## Leo July 24 August 23

Someone is looking at life through very serious eyes this week, which won't exactly make them a barrel of laughs. You may even suspect that they're taking some sort of perverse pleasure from being such an old misery. If you aren't careful you might start to behave in a similar sort of fashion, do your best to resist it.  
Lucky Colour Brown Lucky No 43.16.2.3.14.27.33.

## Virgo August 24 September 23

Your horizons are starting to widen, but the question is how brave you're feeling about exploring them. You've already faced some exciting opportunities and there are more on the way, but won't be much good to you if you can't muster the courage to make the most of them.  
Lucky Colour White Lucky No 4.36.18.20.29.30.

## Libra September 24 October 23

Open your mind to all sorts of new possibilities this week, or you'll miss out on many exciting experiences. The prospect of long distance travel could appeal now, or you might consider enrolling in a college course that starts next year. You're full of curiosity about the world and you won't be satisfied unless you can find out as much about it as possible.  
Lucky Colour Brown Lucky No 13.12.7.44.39.38.

## Scorpio October 24 November 22

Is something worrying you? It seems that a problem is nagging away at you, and it won't leave you alone until you've done something about it. This may require quite a bit of bravery, so you need to deal with it in a positive manner.

## PEOPLE AND PLACES

Daniel and Deborah Fean, Envoys of the Salvation Army, John Scott Manager, Library Services Burdekin Shire Council, Lorna Hogenelst - Convenor for St Vincent De Paul Shop, Lesley Peters, Support Worker and Seanne O'Shea Co-ordinator Housing and Community.

## Festive giving tree

A GIVING tree has been set up at the Burdekin Library to help bring Christmas cheer to local families who are doing it tough. Burdekin Library Services manager John Scott said the library was working with the Salvation Army, St Vincent de Paul and Burdekin Community Association to ensure that the less fortunate members of the Burdekin community were not forgotten this Christmas.

"Christmas is a special time of year but there are many out there in our community who simply can't afford to buy gifts for their children or put a special Christmas meal on the table," Mr Scott said. "We're inviting local residents to help those families by donating gifts and non-perishable foodstuffs to the appeal."

Mr Scott said there was a great need for gifts that would be suitable for Christmas presents, particularly for children aged 10 and up.

"It could be a t-shirt, a book, a small toy or anything that might make a child smile this Christmas," he said.

"Your donations can really brighten up a family's Christmas, so let's band together and show people that we do care."

Donations can be dropped off at the Burdekin Library in Ayr during normal library hours.

Goods will be collected by the member agencies of "Burdekin Combined Emergency Relief Services" and distributed to those in need across the Burdekin.
